**CONTINUATION OF COMPLAINT:****Raul VASQUEZ-Castro****PROBABLE CAUSE STATEMENT**

On July 16, 2008, Senior Patrol Agents U. Pacheco and S. Jaramillo Jr. were assigned to Border Patrol duties in an area known as Marron Valley. This area is approximately five miles west and one mile north of the Tecate, California Port of Entry.

At approximately 10:15 a.m., Agents Pacheco and Jaramillo were driving west bound on State Route-94 when they observed an individual waving on the north side of SR-94 approximately half a mile west of Marron Valley Road. Agents Pacheco and Jaramillo approached the individual later identified as the defendant **Raul VASQUEZ-Castro** and identified themselves as United States Border Patrol Agents and conducted an immigration field interview. The defendant admitted to being citizen and national of Mexico not in possession of any immigration documents that would allow him to enter or remain in the United States legally. The defendant was arrested and transported to the Brown Field Border Patrol Station for processing.

Routine record checks of the defendant revealed a criminal and immigration history. The defendant's record was determined by a comparison of his criminal record and the defendant's current fingerprint card. Official immigration records of the Department of Homeland Security revealed the defendant was previously deported to **Mexico** on **September 5, 1995** through the Port of Entry at **Calexico, California**. These same records show that the defendant has not applied for permission from the Attorney General of the United States or his designated successor, the Secretary of the Department of Homeland Security, to return to the United States after being removed.
